Notes:

- a) If the operation time of one hour does not attain one hour after the minimum chargeable time of two hours mentioned in items a to d, such time will be treated as one hour.

The above charges will not be levied if the operations are proposed and carried out by us according to the on-site conditions

14. Charge for overtime work

- a. The normal work time is 8:00--12:00 and 13:00--17:00 from Monday to Sunday. Any work beyond the normal work time will be treated as over-time work, and charge for such timework will be levied accordingly. This charge is only applicable to work requested by overseas forwarding agents or exhibitors and will not be levied if the work is proposed and carried out by us according to the operation progress.
- b. The overtime work covers operations of manpower, forklift, crane, truck and trailer, and the charge for overtime work is equal to the charges for hiring manpower and equipment (please refer to the above item 13).

15. Ocean freight, air freight, rail freight, customs duty/tax and other relevant charges paid by us on exhibitors' behalf (to different carriers or the Customs Authority) will be levied as per actual outlays, and 2.5% outlay commission will be added accordingly.

REMARKS:

- a. The volume/weight conversion for cargo is 6 cbms = 1000kgs and/or 1 cbm = 167kgs.
 - b. If there is any dispute in regard to chargeable volume or weight, the final chargeable volume or weight and the collection of charges will be subject to the data re-measured by representatives of Sinotrans Beijing Company and the counterpart, or by relevant Chinese authority.
 - c. Fees for container detention at port, the exhibition site or other storage areas, if not due to our responsibilities, will be levied in accordance with the stipulations of relative shipping agencies in China.
 - d. Fines for delay in customs clearance, if not due to our responsibilities, will be levied in accordance with the stipulations of the Chinese customs authority.
 - e. Customs in Hangzhou need to levy guarantee fee on the exhibitors, and the amount charged according to 50% of the CIF invoice value, which we charged the exhibitor first.
 - f. The invoice issued by us should be settled in accordance with our stipulated time. Otherwise a **5%** commission will be levied for the late settlement of our invoice.
 - g. We reserve the right to interpret any wording, terms and charges of this tariff.
-
